GATEWAY TO THE LAND OF OPPORTUNITIES

Gurugram, the second largest city in the State of Haryana has remained a preferred real estate destination for its futuristic character and elements of being a global city. The presence of top industry giants and the possibility of both residential and commercial real estate in this millennial city attract businesses. Rapid urbanisation and ease of living has led Gurugram to be a pioneer in industrial development. The increase in demand from investors and buyers has resulted into the emergence of New Gurugram which is more planned and offers numerous opportunities.

As a result, the Gurugram real estate market has seen unprecedented growth with prices soaring to new heights. GATEWAY 95, surrounded by premium housing projects, offers an opportunity to investors to take advantage of such growth by investing a reasonable amount for a plot of land. Come join us in this journey of value creation.
